

# New improved range of high performance SKF grease

For longer service life

## High performance ULTRA PREMIUM lithium complex premium grease

VKG IP PLUS (80 000\* kilometers)

### Features:

- Lithium based multi purpose gel grease with longer life.
- Excellent water resistance properties and NLGI Grade 3.
- Outstanding shear and rolling stability in operating temperature upto 180 °C.
- Recommended for all type of automotive applications in heavy commercial vehicles, buses, tractors, earth moving or agricultural equipment and heavily loaded bearings under extreme pressure conditions.

### Benefits:

- Better life (upto 80 000 kms\*) and high performance.
- Longer service life and longer component life.
- Less vehicle downtime for maintenance and lubrication – More miles will bring more smiles.

## High performance lithium complex PREMIUM grease

VKG IP (60 000\* kilometers)

### Features:

- Lithium based premium multi purpose grease with better life.
- Recommended for all type of automotive applications in commercial and passenger vehicles, tractors, cars, earth-moving or agricultural equipment and heavily loaded bearings under extreme pressure conditions.
- Outstanding shear and rolling stability in operating temperature up to 160 °C.
- Superior water resistance properties and NLGI Grade 3.

### Benefits:

- Better life (upto 60 000 kms\*) and high performance.
- Longer service life and longer component life.
- Less vehicle downtime for maintenance and lubrication.

## High performance lithium complex PREMIUM grease

VKG IN (20 000\* kilometers)

### Features:

- Excellent rust and oxidation resistance with better water washout properties and NLGI Grade 3.
- Improved mechanical and thermal stability in operating temperature up to 120 °C.
- Meets IS 12203:2004 specification.
- More suitable for two-wheelers, three-wheelers, small cars, available in 100 g till 180 kg barrels.

### Benefits:

- Improved SKF IN grease.
- 20 000 kms\* lubrication life.

\* Under standard operating and testing conditions.
