About SKF Group

The SKF Group has over 100 manufacturing sites worldwide, sales companies in 70 countries, representation in 130 countries, making it a truly global company. In addition, our global distribution system with distributors and dealers in over 15,000 locations around the world and an e-business marketplace puts SKF close to customers for the supply of both products and services. In essence, SKF solutions are available wherever and whenever customers need them.

SKF in India has a pan India footprint comprising of six manufacturing facilities, six offices, over 300 distributors and an employee base of over 3,300 dedicated professionals. SKF Vehicle Service Market deals with the aftermarket for cars, two wheelers, three wheelers, tractors and commercial vehicles across India. As a knowledge engineering company, SKF is much more than a components supplier — our engineers fall back on a century of SKF expertise to improve overall system reliability, safety and efficiency.

A man with a beard, wearing a blue and white plaid shirt and blue jeans, is smiling and reaching for the door handle of a white truck. The truck is parked outdoors on a paved surface under a clear blue sky. The man's shadow is cast on the side of the truck. The truck has a large side mirror and a door with a handle. The overall scene is bright and positive.

Increase your reliability, sustainability and profitability

With decades of close cooperation with leading truck and trailer manufacturers and their component suppliers, SKF understands the issues that drive your business. Since the birth of the trucking industry, SKF bearings have set the gold standard for performance in engines, gearboxes, drivetrains and wheel ends. We have pioneered many industry firsts, from unitized truck hubs to advanced sealing systems that have redefined expectations for component service life. SKF is able to take a systems approach to design to keep you at the forefront of developing technologies.
