

SKF Chain and sprockets

With superior strength

Features

State-of-the-art manufacturing facilities

High quality controls

Superior strength

Low noise levels

Anti-rusting properties for sprockets

Install confidence,
install SKF!

SKF chain and sprockets adhere to the highest quality standards and their performance is at par with OE standards. They are designed for superior strength and are capable of handling heavy loads in high-speed conditions with low noise emissions. The sprockets are pre-coated to prevent rust formation.
